TO WHOM IT MAY CONCERN

Dear Sir or Madam,

RE: Anglia Examinations – Institution Recognition

We are a UK-based, English-examinations provider with franchisees operating in over 40 countries around the world.

We are reaching out to invite you to become a recognising institution for Anglia Examinations.

We are officially recognised by many governmental institutions, schools, and universities across The Americas, Europe and Asia.

We offer:

- Ofqual accredited English examinations
- qualifications which map to the Common European Framework of Reference for Languages (CEFR) and the English National Qualification Framework (NQF)
- access to an international community of learners in regions across Europe, The Americas, Asia and Africa – more than 500,000 sit our exams annually to gain recognition by professional bodies, employment, to enter university and to map their learning journey

Our formal relationship with the Awarding Body, [AIM Qualifications and Assessment Group](#), means our top four qualification levels are Ofqual accredited. Moreover, as of May 2021, students successfully completing our Mastery level (level 3, CEFR C2) will be awarded UCAS tariff points; one of only a few ESOL English exams in the UK to do so.

We believe that the robustness and credentials of our exams, together with our close-knit international relationships, can add value to your organisation. We seek to formalise recognition of Anglia qualifications for the benefit of future students or employees who might choose to apply to your institution.

Please find attached our information pack with more specific details. Kindly also refer to our recognition pages on our website www.anglia.org

For further enquiries, please contact your local representative or us in Headquarters via our website:
